Potential Sponsor,

February 10, 2010

The members of the *Arizona Law Enforcement Emerald Society* are proud to announce their first annual golf tournament at The Links Golf Course on Saturday, April 24th, 2010.

The Arizona Law Enforcement Emerald Society (ALEES) was created to promote a social spirit among Police Officers of Irish ancestry and celebrate the long tradition of Irish – Americans in Law Enforcement.

The golf tournament on April 24th, 2010 will raise money to help support the families of Fallen & Injured Police Officers throughout the State of Arizona. All proceeds raised from this golf tournament will be donated to a family in need.

The *Arizona Law Enforcement Emerald Society* would like your help and support either by being a sponsor, donating items to be sold at a silent auction, being a participant in the golf tournament, or donating gifts for our drawing to be held at the end of the tournament.

Please call me at your earliest convenience to discuss how we can mutually help support families of Fallen and Injured Police Officers.

Sincerely,

Patrick Sullivan (Phoenix PD)
ALEES President

Jim Nolan (Scottsdale PD)
